AutoCAD, Revit, Rhino, SketchUp,  
3DS Max, Lumion, Enscape,  
Photoshop, Illustrator, InDesign, After  
Effects, Premiere Pro, Hand Drafting,  
Model Making, Microsoft Office

## AI-ASSISTED DESIGN

**ComfyUI** — image generation  
**ChatGPT** — research & writing  
**Claude Code** — built this site  
**Claude Design** — layout & mockups  
**DALL-E** — visual studies  
**Gemini** — research & ideation

## HONORS

Dean's List — SCAD, 2022–2025  
Outstanding Student Award — SCAD,  
2025

## LICENSURE

### AXP Hours

1,336.25 / 3,740 (35.7%)

### ARE Exams

0 / 6 divisions passed

## PROFILE

M.Arch candidate at SCAD focused on how people move through, gather in, and experience space — from civic and ecological questions in studio to construction-ready documentation in practice. Comfortable moving between hand drafting and BIM, concept sketches and construction documents, with a growing focus on sustainable, community-driven design.

## EXPERIENCE

### Architectural Intern — The Johnson Studio at Cooper Carry Jun – Aug 2026

- Gained hospitality-focused experience across hotel and restaurant projects
- Produced Revit design documentation, custom families, and construction drawings
- Contributed to client-facing schematic design presentations

### Architectural Intern — Rose Architects Jan 2025 – Present

- Produced AutoCAD and Revit drawings across several projects at once
- Worked directly with project architects on drawing sets from schematic through construction documents
- Designed and built the firm's website and one-pagers

### Digital Rendering Artist — Staging By Design Feb – Oct 2024

- Photorealistic renderings using Lumion and Enscape

### Architectural Intern — MRP Design Jun – Sep 2023

- AutoCAD work for franchise renovations
- Coordinated directly with project managers across several assignments at once
